**Scientia Bonnensis** takes great care to ensure your privacy while visiting our website.

We do not assume any responsibility for the content of external links provided by other companies. We do not have any influence on their content.

The collecting, processing, and use of your data is within the framework provided by legal regulation.

Personal data is just collected in as much it is required for the technical process. Personal information you provide us with (such as your name and postal address or email address) will be used by us for correspondence only or for the purposes for which you gave us the information. Occasionally, we may also use it to inform you about our new services and products of *Haunit, Pinto Escoval, Keller GbR*. We will not sell or forward your data to a third party.

## **Server Protocols**

*Haunit, Pinto Escoval, Keller GbR* gathers and saves in its server protocols automatically all information provided by your browser. The file and the URL you visit, the HTTP answering code, the type and version of your browser, your operating system, the previous visited URL, IP-Adress, date and time of the visit.

These information will not be connected to a particular individual.

## **Cookies**

We do not set any cookie on our site, so you will not need to set the option in your browser to accept cookies.

## **Information policy / Deleting of personal data**

Your trust is important to us. Therefore, we are prepared to answer any question you might have about your personal data which is gathered by our company at any time. You could ask us to give you all information about your data, also to delete your personal information.

If you have any question which has not been addressed by the declaration of our privacy policy or if you would like to ask us to delete your personal information, please contact us:
